S.I.V.E.T COLLEGE

DEPARTMENT OF VISUAL COMMUNICATION

CANCER AWARENESS WEBINAR REPORT

Topic: - CANCER AWARENESS 2021
04/02/2021

Date:

We, the Department of Visual Communication, S.I.V.E.T College organized ‘Cancer Awareness Programme 2021’ on 4th February 2021, for the purpose of creating awareness of Cancer among students so that they may contribute to fight against fatal disease of cancer. The event was aimed at raising awareness about the disease so that millions of deaths caused by it every year can be prevented. It is observed in the present scenario that college students are vulnerable to tobacco abuses of cigarette smoking, chewing tobacco and many such other kinds. It is estimated that cigarette smoking accounts for about one-third of all types of cancer, including 90 percent of lung cancer cases. Smokeless tobacco such as chewing tobacco and snuff also increases the risk of cancer, especially oral cancers. Both behavioural interventions like counselling and medication can help addicts quit their habit.

We invited Dr. Manjula Krishnaswamy a Doctor from Honorary medical Director, Jeevodaya Hospital for Cancer patients to facilitate the event and we planned it to be a 1-hour session. We chose "Google meet" platform for the webinar. Our Staff members worked on this event along with Mrs. S. Amsavalli Assistant Professor from the Department of Computer Science who provided technical help for the whole deliberation. Mr. Samuel Jebaraj from our Visual Communication department provided technical help regarding E Certificate distribution.

The event started at 2:00 PM on 04/02/2021 (Thursday), nearly 80 members from various departments and various colleges participated in this webinar. The welcome speech was given by Mrs. M. Kiruba Angelin (HOD & Assistant Professor) Thereafter, Dr. Manjula Krishnaswamy graced the occasion by delivering his speech emphasizing on the need and significance of the awareness of cancer among the people especially the upcoming generation who is still at the early stage of being aware of the hazards of this demon like disease. She motivated students to stay healthy and shared his noble views on cancer awareness and its prevention. Our facilitator Dr. Manjula Krishnaswamy a seminar on cancer awareness where in the participants were educated with the signs and symptoms of different types of cancer. He also mentioned various risk factors, early detection, diagnosis, and treatment options. At the end of the session our speaker answered all the questions of the participants. Every participant was asked to fill feedback forms and they did so. They are awarded with E-certificates, which is an appreciation for their effort to enroll in this event. The event concluded with vote of thanks by Mr. A. Aravind Assistant professor Department of Visual communication. The active participation of students and faculty members contributed to the magnificent success.

National level Webinar on " BOOST IMMUNITY DURING COVID PANDEMIC "on 15th September 2020 @ 4.00 p.m. organized by Department of Commerce (Self-Finance) in association with IQAC and in coordination with VLCC Anna Nagar, Chennai

This program was organized by Department of Commerce (Self-Finance) in association with IQAC and in coordination with VLCC Anna Nagar, Chennai.

Dr. Deepti Verma - Head, VLCC was invited as speaker for the day.

The session was initiated by Dr. M. Vijayalakshmi madam, Head of the Department, giving the welcome note. Dr. V. Archana Binju, faculty of the Department, gave the introductory speech about the speaker for the day. **143 students** from various Department and Colleges participated in this program. As staff and students showed high enthusiasm in attending this program.

Dr. Deepti Verma - Head, VLCC madam took over the session, by starting with valuable tips for the **boost immunity during covid pandemic**. She said that the food you eat plays a key aspect in determining your overall health and immunity. Eat low carb diets, as this will help control high blood sugar and pressure. A low carb diet will help slow down diabetes and focus on a protein-rich diet to keep you in good shape. And regularly consume vegetables and fruits rich in Beta carotene, Ascorbic acid & other essential vitamins. Certain foods like mushrooms, tomato, bell pepper and green vegetables like broccoli, spinach are also good options to build resilience in the body against infections.

There are several herbs that help in boosting immunity like garlic, Basil leaves and Black cumin. Certain seeds and nuts like sunflower seeds, Flax seed, pumpkin seeds and melon

seeds are excellent sources of protein and vitamin E. Probiotics like Yoghurt, Yakult and fermented food are also excellent sources to rejuvenate the composition of gut bacteria, which is important for nutrient absorption by the body. These are good options for the older generation too.

Finally she told a good diet should be followed by an exercise routine. Remember to exercise regularly; even light exercise will go a long way in releasing the toxins from your body. It is recommended to exercise for 30 to 45 minutes, depending on your stamina. If you have not started exercising yet, then it is a good time to start. There are several Youtube channels and apps to help you exercise at home. Regular exercise improves metabolism, which has a direct correlation with body immunity.

The session was more useful and valuable information provided to the participants to know the various health tips and its benefits. The participants took active participation in the program.

The speaker answered all the questions raised from the participants with a genuine manner.

Mr.S.Jayaprakash Narayanan, Assistant professor, finally gave vote of thanks, thanking the management and the resource person and Dr. M. Vijayalakshmi for organizing an useful program during the Pandemic stage.

7th International day of Yoga Webinar, 2021

Department of Commerce (SFS), S.I.V.E.T. COLLEGE

S.I.V.E.T. College, Department of Commerce, organised, ' 7th International Day of Yoga webinar, 2021' on

'YOGA FOR WELLNESS' on 21st June, 2021

Eminent resource Person,

Mr. Sathish Chandrasekaran
All India Yoga Shikshak Shivar
Vivekananda Kendra, TN Vibhag

was invited as speaker for the day.

The session was initiated by Dr. M. Vijayalakshmi mam, Head of the Department, giving the welcome note. Dr. V. Archana Binju, faculty of the Department, gave the introductory speech about the speaker for the day.

Mr. Sathish Chandrasekaran sir took over the session, by starting with some interactive questions with the participants. The program started with an introductory prayer, continued by loosening exercises called Sukshama Vyayam. The exercises were demonstrated by the speaker and two girls to help participants learn the exercise moves.

The program consisted of the following asanas that helped participants to practice flexibility. 4 times of standing asanas, sitting asanas, 2 asanas of floor supine posture (sleeping position) and relaxation techniques and breathing exercises were practised.

The session was more practical and taught the participants to learn the different yoga postures and its associated benefits. There were more than 100 participants who took active participation in the program and attended with their family and kids.

The speaker finally answered few questions and queries raised by the participants.

Ms. A. Yasodha, finally gave the vote of thanks, thanking the management and the resource persons.
